2021-16/210 PORT OF NIEUWPOORT - INCONVENIENCE IN FAIRWAY FROM SEPTEMBER 2021

In September 2021 a new phase will commence in the construction of the Nieuwpoort Storm Surge Barrier. Works will be undertaken to prepare everything for the installation of the seabed protection and the concrete base of the barrier. This will cause inconvenience to shipping.

They want to keep stakeholders informed at all times of possible inconvenience. From 10 September 2021, a weekly update will be produced: "Sailing Updates – Nieuwpoort Storm Surge Barrier ". This will contain advance notices for the week ahead. Register now to receive these updates: www.stormvloedkeringnieuwpoort.be.

The fairwayusers are strongly advised to install the mobile application 'Stormvloedkering Nieuwpoort'. You can setup the app to receive a pushmessage if there is a change on the passage width. This way you will be informed about the current foreseen or unforeseen events. Beside information about disruptions or blocking of the fairway, the app also provides you with data of the tide, wind or waveheight.
